The only comparison by which hoisis could estimate subscriptions not yet tabulated was provided by the record of the Fourth Liberty Loan, when \$2,382,000,000 was reported after the subscription drive had ceased. The last

subscription drive had ceased. The last reports obtainable when the fourth campaign ended showed \$4.599,000,000 already tabulated, or 76 per cent. of the six billion dollar total, although final subscriptions amounted to \$6.991,000,000. Up to to-day in the current campaign \$5.54 per cent. of the total sought has been pledged.

Official figures to-night showed that the Minneapolis, St. Louis and Cleveland districts had already raised more than 100 per cent. and the Chicago district reported that its quota had certainly reached that mark, although tabulation of figures to support the claim could not be completed.

TROT, May 10.—The Cohoes Krit Goods Manufacturers at a meeting held last evening decided to submit to arbitration the question of the carders noon hour work, and it is hoped that this will bring to an end the textile workers dispute over an eight hour day, which has kept most of the milis in this vicinity closed since February 1. The manufacturers propose to grant the forty-eight hour week with pay for the same num. hour week with pay for the same num-ber of hours, reopen their plants and have the carders work the noon hour, as

they formerly did.

This phase of the dispute has held up the settlement of the knitting mill trouble for several weeks, the bone of contention being the question of over-time pay for the carders. The commit-tee of the textile workers will hold a meeting probably this evening to con-sider the proposition, and it is said this morning that the manufacturers' propo-sition doubtless will be accepted.
